Dear Parents/Carers,

After 10 years since our last inspection, Victoria Park Junior School received a graded Ofsted inspection last month. I am really pleased to be able to share the full report with you to read and I would encourage you to do so.

The opening paragraph of the report says, *'Pupils embody the school value of respect at this welcoming school. Pupils behave impeccably and their learning is rarely interrupted.'*

During the inspection, the inspectors commented on the calm learning environment; excellent pastoral support; reading sitting at the heart of the school curriculum; pupils superb attendance; pupils being given a broad range of opportunities to enhance their wider development; governors having a clear understanding of the school's strengths and priorities for further improvement; pupils benefitting from a broad range of clubs available to them and a positive safeguarding culture.

The team of inspectors graded Behaviour and Attitudes as Outstanding and commented that *'Behaviour across the school is excellent. Pupils are very well mannered. Pupils have a strong moral conviction to treat others in the same way that they would want to be treated themselves.'*

As a school we know that we are on a continuous journey to improve and our points for development from the inspection are already part of our strategic plan.

*Learning and Achieving  
Together*

I want to thank all of our dedicated staff who work tirelessly every day to provide every child with a high-quality education and care & support. They are a brilliant, committed and supportive team. Equally, our wonderful children deserve every word of praise for their behaviour, attitudes to learning and love for our school. They are, day in, day out, outstanding young people.

As a final note, I wish to share my heartfelt thanks to you, our parents, carers and families for your continued support. I know just how much our school means to you, your children and to our community.

Mr. J. Wilkinson
