14th June 2024

It is hard to believe that this is the final half term of the year (although you would not have thought so with the weather). The children have come back to school with a fantastic attitude and quite a few of them have mentioned the FA Cup final result! Take care and have a lovely weekend *Mr. Wilkinson*

Eid Mubarak to all our families who are celebrating Eid next week. We hope that you all have an enjoyable time.

Sports Update

Yesterday, the children enjoyed the visit of Shadine van der Merwe who is a professional netball player. She currently plays for Manchester Thunder. Shadine explained her netball journey, which has included playing at two world cups representing South Africa as well as playing in Australia. During her career, Shadine has had to show resilience to setbacks including injuries and not being selected for different teams.

The children also had the opportunity to ask their own questions.

Well done to the Year 6 children who played in the tag rugby tournament. They definitely showed our school values and learner attitudes.

Sports Day

We usually have our whole school sports day at Longford Park. However, the track is being resurfaced so we are unable to go there this year.

The children will take part in Sports Day at school on Monday 22nd July. Unfortunately, we will not be able to accommodate parents/carers.
