

Time is marching on and I feel like I could do with pressing the pause button! Well done to all the children in Years 3, 4 & 5 who have completed tests this week. We are really proud of their hard work, attitude and resilience. These results will be shared in their end of year report. We are starting to think about transition and next week the majority of our Year 6's will spend time at their new school. Where has the time gone? Also we will be welcoming the Year 2's for another visit on Thursday. The children in Years 3, 4 and 5 will find out their new class teacher on Thursday. **Please remember that school is closed to children next Friday (5th July) as it is an INSET day.** Take care and have a lovely weekend. *Mr. Wilkinson*

Sporting Update

It has been a very busy week for sport. Well done to everyone who has represented the school this week. There were some really good performances and everyone worked as a team. All of the children definitely showed our school values even if the results did not go their way. Congratulations to the boys' football team who won their tournament today!

Lost Property

There is lots of lost property with no names (especially jumpers). We will put it outside school next week and if you would like any of it then it is yours.

Bike Shelter

If your child leaves their bike in the bike shelter, it is recommended that it is locked up. Although the gate is locked during the school day, there are times when it will be open.

Talent Show

Congratulations to all the 17 final acts who performed in this afternoon's final. You should all be proud of yourselves for having the courage to perform in front of a live audience.
