

This will be the final newsletter of the year and I can't believe where the time has gone. Thank you to everyone for making this year a success. As a school, we are extremely grateful for your continued support. I also want to thank all of the staff who have been amazing in supporting the children and families. I will save my final thank you to the most important people - the children. They have been (as always) incredible this year and they should all feel proud of their achievements. They display our school values on a daily basis and have shown lots of enthusiasm and a positive attitude towards their learning. The children will return to school on Tuesday 3<sup>rd</sup> September. I hope that you all have a lovely summer and for families leaving us this year, I wish you every success. *Mr. Wilkinson*

## Year 6 - 'Toy Story'

On Wednesday and Thursday, we were treated to the Year 6 production of 'Toy Story'. We were so proud of all of the children; they all demonstrated courage and team work. It was amazing that every child had the courage to speak and sing on the stage. We know that for many children they pushed themselves out of their comfort zone. It was also amazing to see them encouraging and appreciating each other's performances. It was a privilege to see how far the children have come in their time at VPJS - the performances brought lots of laughs and tears to people's eyes. I am sure that we will be seeing some of the children on stage or television!
