22<sup>nd</sup> November 2024

Dear Parents and Carers,

A group from UA92 are coming into school on Tuesday 10<sup>th</sup> December to do a workshop with the Year 5 children on Healthy Eating.

They are also offering a 30-minute workshop for parents at 3.30pm on the same day which will include nutrition education and top tips for yourselves, along with top tips to support your child's nutrition such as healthy snacks for lunchboxes and meal ideas for the family.

There is no charge for these workshops and your child will be welcome to come along to the session or go to the Junior Hub free of charge.

If you would like to attend, could you please confirm your attendance on Parentpay. If you wish your child to attend the Junior Hub for that session, could you please call the school on 0161 912 5005.

Your sincerely

Mr. Moroney
