*Learning and Achieving
Together*

24th January 2025

Hopefully spring is just around the corner (it does seem to be staying lighter later in the evenings). The children have been continuing to show a positive attitude towards their learning including showing perseverance when they find things tricky. They know that making mistakes is part of life and it is important to try and have a go. Take care and have a lovely weekend.

Mr. Wilkinson

Punctuality

Thank you for your support in ensuring that there has been an improvement in punctuality this week. This has definitely helped the children to have a settled start to their school day.

Poetry Assembly

On Wednesday, 15 children performed the poem, which they had learnt for their home-learning challenge. They should all have felt very proud of themselves for having the courage to perform in front of the whole school - they were all amazing! There were a range of poems and hopefully the children are further inspired to read more poems.

Curious Questioner

This half-term, our learner attitude is being a Curious Questioner. The children in Year 6 have definitely been doing this, by asking some really interesting questions, including: What if there were no world leaders? What if dinosaurs still existed? What if we could swap bodies with someone? What if our dreams became reality?

VR Headsets

The raffle raised an amazing £400 - thanks for your generosity. We have now £1,500 raised and our target is £6,500.

We know that some people would like to make a donation and you can do this on ParentPay via "Donation towards VR Headsets. The amount can be anything from £5 to £100.

Bag 2 School - Wednesday 29th January

Bag 2 School is a company that specialises in good quality second hand clothing that can be re-used. We are asking if any of our families are having a clear-out, that you kindly consider donating your items to enable us to raise funds for school. All bags are weighed and then they pay the school by the total weight collected.

They accept the following 'good quality' items for re-use: adults & children's clothing, paired shoes, bags, hats, ties, belts and soft toys. Please visit www.bag2school.com if you are unsure if an item can be donated.

Please send your items into school in your own bin bag on **Wednesday 29th January 2025 ONLY before 9am, when a lorry will be here to collect them (not before please as we cannot store them).**

We hope you, your family, friends and neighbours will be able to support the Bag 2 School appeal.

**Our Values: Respect, Equality, Aspiration,
Responsibility, Love, Courage**
