

Hopefully the weather will start to get a bit warmer soon - it was certainly very cold at Cross Country on Monday! However, the weather has not stopped the children from continuing to show perseverance and resilience - there has definitely been lots of determination showed this week. A reminder that the children break up today and return on Monday 24<sup>th</sup> February. Take care and have a lovely break. *Mr. Wilkinson*

### Sports Update

A huge well done to the 51 children who represented the school in Monday's cross country races. Everyone definitely showed our school values (especially courage) and all of the children should feel extremely proud of their effort. They were all a real credit to our school especially the way they supported and encouraged each other.

Last Friday, the football 'A' team took part in a competition and got through to the final. Unfortunately, they lost on penalties; however, they should all feel proud of their performances.

### Safer Internet Day

Safer Internet Day 2025 took place on Tuesday with learning based around the theme 'Too good to be true? Protecting yourself and others from scams online'. In their computing lessons this week, the children have focused on this year's theme - identifying scams and learning how to avoid them.
