10th March 2025

Dear Parents and Carers,

Thank you for participating in our recent survey regarding the musical instruments that your children would like to learn. We are excited to share that the most popular choices were drumming, piano/keyboard, and guitar.

To support our music tuition and provide our children with the opportunity to explore these instruments, we are seeking donations of a **drum kit or a keyboard**. Having access to these instruments in school will greatly enhance instrumental tuition and enable children to develop their musical skills, creativity and confidence in a supportive learning environment with the tutors at Trafford Music Service.

If you have a spare **drum kit or keyboard** at home that you are willing to donate or know of anyone who might, please contact the school directly on 0161 912 5005. We will send information out regarding the instrument lessons when we have the relevant resources available to provide these lessons.

Thank you for your continued support of our music curriculum.

Kind regards,

Miss Garner
