

The children are continuing to work hard and the focus for this week's achievers was linked to this half term's school value of love. The question posed to the children was 'What do you love about your learning?' I know that some children will tell you that they do not like anything! However, we all know that they will have enjoyed some part of their learning. Let's hope that the warm weather continues. Take care and have a lovely bank holiday weekend. *Mr. Wilkinson*

Something to think about...

“
Positivity
always wins.
Always.
”

Our Values & Learner Attitudes

Our school Values and Learner Attitudes are a key part of our VPJS curriculum. It is really important that all of the children are continuing to improve their Self Manager skills. This includes them taking responsibility for themselves and organising their own equipment.

The children need to make sure that they have everything they need when they arrive at school including: a **water bottle (it is important that children bring this everyday)**, packed lunch (if they have one), homework and sports kit for a club (if they need it). This also includes the children remembering their musical instruments - Year 3 have their ukulele lesson every Tuesday.

Please can we ask that you have a conversation with your child to ensure they are fully prepared every morning and are not relying on you to drop anything they have forgotten off at school.

Communication

Please remember that if you have any questions/queries or need to talk to a member of staff (including class teachers), please telephone the school office (912-5005).

The school office is open between 7:45am to 4:00pm every day. They will be able either to help you straight away or make arrangements.

If no one is available to answer your call, please leave a voicemail and someone will return your call.

FAF! Disco

Thank you to everyone who volunteered and helped with the FAF! disco last Friday. We really appreciate your help. The disco raised £618 towards the VR Headsets. A big thank you to Simon Borkin for being a brilliant DJ and a special mention to our Year 4 resident DJ - 'DJ Artis' who did an amazing job on the decks!

Bike Shelter

The bike shelter is open in the morning until 8:50am and from 3:10pm to 3:40pm. If your child attends an after school club, we would recommend that they do not bring a bike or scooter to school on that day.

**Our Values: Respect, Equality, Aspiration,
Responsibility, Love, Courage**
