*Learning and Achieving
Together*

9th May 2025

It has been another busy week with the children continuing to work hard. I had the pleasure of accompanying the children in Year 5 yesterday when they shared their pop-up books with the Year 1 children. It was lovely to see their interactions and the smiles on all of their faces. Also well done to the football team who played on Wednesday, you played with lots of enthusiasm and did not give up. I hope that you all have a lovely weekend. Take Care. *Mr. Wilkinson*

Punctuality

There are quite a few children who are arriving late by just a few minutes. The children need to be in school **before** 8:50am. Please remember that the children can come into school anytime between 8:30am - 8:50am.

Attendance Matters! 'Every day counts'

It is really important that children attend school every day. Please remember that we are here to provide support if needed and this includes administering medicine (provided a parent/carer has completed a form at the school office).
