*Learning and Achieving  
Together*

19<sup>th</sup> October 2023

We have made it to the end of the first half-term and I want to thank everyone for all of their hard work. The children have worked incredibly hard and they should feel proud of all of their achievements. This was really highlighted in our Achievers Assemblies today where the children nominated each other - they gave detailed explanations about their peers - there are definitely some future teachers and leaders out there! In their reasons, the children had recognised their peers for showing the school values; being consistent; making improvements and for being kind. I hope that you all have a lovely holiday and let us hope that we get some dry weather. Take care. *Mr. Wilkinson*

## Home-Learning Challenge

The children have all been set a history home-learning challenge. They will share their learning with the rest of their class on Friday 3<sup>rd</sup> November.

If they are sending in anything electronically, please use the Google classroom. A parent/carer guide and a copy of the home learning challenge have both been emailed with this week's weekly news.

There is more information in the children's Learning Journal on Page 41 or on the school website [Autumn Half Term Holiday Challenge | Victoria Park Junior School \(victoriaparkschool.co.uk\)](http://www.victoriaparkschool.co.uk)
