

## OVERALL VISION & AIM:

To be a harmonious, cohesive and inclusive community built upon mutual respect, shared values, empathy and peaceful activism.

To have acceptance of and an interest in different religious practices and traditions.

*I AM...*

*a peace ambassador*

*a deep thinker*

*a mediator*

*a volunteer*

*an activist*

*a counsellor*

*a charity fundraiser*

*an aid worker*

*a carer*

Understand that we can get along even if we have different ideas and opinions and we can disagree respectfully

Appreciate the impact of faith on someone's life, especially if they themselves are non-believers

Develop an interest in finding out about the different religious practices around the world – compare and contrast – and understand the core values that determine the behaviour

# Religious Education

Identify the values that matter most to us and how we can act upon them

Recognise similarities in values and attitudes of different religions

Have deepened knowledge and empathy of key aspects of different religions in order to get along with peers/ in future lives & making allowances for these, reducing opportunities for offence or discrimination
