

How have we got to the end of November so quickly? Thank you for all of your kind donations to support the Little Green Sock Project. Also thank you to everyone who volunteered at the FAF! disco last Friday (£563 was raised, which is amazing). Well done to all of the children in Years 3, 5 & 6 who have all represented our school brilliantly this week on their trips out of school (we know that it was very cold on Wednesday!). Take care and have a lovely weekend. *Mr. Wilkinson*

Spelling Day - Friday 5th December

A reminder that next Friday, the children are invited to come to school dressed as a bee or wearing black and/or yellow.

The aim of the day is to celebrate the importance of spelling while having lots of fun along the way. Throughout the day, children will take part in a variety of spelling-themed activities, including our very own Spelling Bee competition.

Every child has been given a list of words to learn at home.

Christmas Cards

Christmas post will start on Monday 1st December. If your child(ren) would like to send cards, please ask them to write their friend's name and surname on the envelope together with their class as this will help the children in delivering the cards to the right person. **Please do not include sweets, etc with the cards.**

For example: Bob Smith - Class 3W

Sports Update

Well done to Kai, Charlotte, Emily, Raushan, Zahra, Sol and Ezra who all played brilliantly representing the school in a basketball tournament this week. They definitely showed all of our school values.

Decorating the School Christmas Tree

If you are able to donate a bauble to help decorate our tree - please send it on **Monday 1st December.**

Safeguarding

As a school, we have subscribed to Spotlight on Safeguarding. They provide a monthly safeguarding newsletter for parents/carers. The newsletter includes lots of useful information and advice. We will email November's newsletter on Monday.

Learning Highlights

This week's learning highlights come from the school councillors in 5H. Leah enjoyed the Anglo-Saxons trip to Tatton Park - learning how to use a shield properly as well as making a bracelet. This would have been used for trading. Zahra explained that there has been excellent teamwork in 5H. This really helped during the science investigation on separating materials and using knives in D&T to cut different vegetables.

**Our Values: Respect, Equality, Aspiration,
Responsibility, Love, Courage**
