

Hopefully spring is just around the corner (it does seem to be staying lighter later in the evenings). The children have been continuing to work hard and I have been impressed with their growth mindsets. They know that making mistakes is part of life and it is important to have a go. As we know, some learning can be difficult and make our brains hurt. Take care and have a lovely weekend.  
*Mr. Wilkinson*

### Punctuality

There has been an improvement with punctuality this week. This has definitely helped the children to have a settled start to the day. Thank you for your support.

### Reminder

**Monday 26<sup>th</sup> January - Year 4** trip to Chester Zoo. All children will need a packed lunch and a suitable warm and waterproof coat.

### Subject Showcase - Wednesday 11<sup>th</sup> February

The children are going to be showcasing their learning from science. This is an opportunity for you to come and find out what the children have been learning.

Year 4: 9:30am - 10:10am
Year 3: 10:40am - 11:20am
Year 5: 1:20pm - 2:00pm
Year 6: 2:20pm - 3:00pm

### Learning Highlights

This week's learning highlights come from the school councillors in 4R.

Mia has enjoyed using Photopia app in computing to move photos as well as changing their size and colour. Felix is really enjoying the geography topic on South America where he has learnt about different places and the rainforest. They are both looking forward to their trip to Chester Zoo on Monday.

### Safety

As we all know, keeping everyone safe is our top priority.

Please can we ask...

When walking, please can everyone use the zebra crossing to cross the car park.

If you are driving into the school car park, please drive at 5 mph and make sure that you are being extremely careful. Also please do not park over the zebra crossing at any time.

If you are stopping or parking a vehicle, please switch off your engine and do not leave it idling.

**If your child's going home arrangements change, then you need to telephone the school office (912-5005) by 2:30pm (at the latest).**
