

Hopefully, we will start to get some drier and warmer weather (next week would be nice!) soon. However, the weather has not stopped the children from continuing to show perseverance and resilience - there has definitely been lots of determination from both children and staff showed this week. A reminder that the children break up today and return on Monday 23rd February. Take care and have a lovely break. *Mr. Wilkinson*

Science Subject Showcase

Thank you to everyone who came to the Science Subject Showcase on Wednesday and spent time listening to what the children had been learning. I know that you were impressed by their knowledge, confidence and enthusiasm.

The children certainly did manage to challenge everyone's knowledge! I am extremely proud of all their hard work and creativity.

The children were given the responsibility of how they were going to present their learning and they definitely impressed everyone. They also demonstrated our school values.

Notices & Reminders

This half-term's **Home Learning Challenge** focus is **Aspiration** and you can find more information at:
