*Learning and Achieving
Together*

22nd May 2026

It has been an action packed last week of the half-term with many highlights. A huge well done to the choir who all gave an excellent performance today and also last week where they sang in front of 40 headteachers! They certainly showed all of our school values and should feel proud of themselves. I hope that you all have a lovely break and hopefully the predicted heatwave will arrive! The children are back in school on Monday 8th June. Take care. *Mr. Wilkinson*

Eid Mubarak to all our families who are celebrating Eid next week.

Sports Day

Thank you to everyone who came to support the children on Tuesday and a special thanks to everyone who helped. We nearly managed to nearly get through the day with no heavy downpours (although the walk back to school was very wet!) We were very proud of all of the children and everyone tried their best. There were some very close and competitive races. All of the children definitely showed all of our school values by encouraging and supporting each other - it definitely reminds us about what a special place our school is.

Congratulations to Orla Green in Year 3, Jessica Jenkins in Year 4 and Seb Harding in Year 6 who all set new school records for the 400m.

Well done to all of the children in Year 6 who completed the 800m and congratulations to Seb Harding for setting a new school record.

Notices and Reminders

Thursday 11th June - Book Bus will be visiting our school in the morning. You will find more information in the letter: [download.asp](#)

Thursday 11th June - 4R are going on a trip to Lancashire Wildlife Trust. They need a packed lunch, wellington boots and a waterproof coat. The children need to wear long trousers and a long-sleeved top. They also need a spare set of clothing. **Have you given permission on ParentPay?**

Friday 12th June - the children can come in non-uniform if they bring a **full and in date bottle** (e.g. pop, shampoo, wine, ketchup).

Sports Update

Well done to all of the girls who represented the school on Monday in a netball competition. They all did amazingly well and should have felt proud of their performances. They certainly showed all of our school values and the progress they made during the tournament was amazing. A special thank-you to Mrs. Gill (from the Infants) and Jo Fletcher who have been coaching the girls every week and took them to the competition.

**Our Values: Respect, Equality, Aspiration,
Responsibility, Love, Courage**
