2nd July 2026

Dear Parents/Carers of Year 6,

We hope that the children have enjoyed their transition visit to their secondary school.

The Department of Education (DfE) have informed us about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on Tuesday 7th July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the DfE of a delay affecting the national system used to make results available to schools. Results will now be available to schools on **Thursday 16th July 2026**.

Although this is very frustrating, it is beyond our control.

The DfE have said that the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.

This will not impact your child's transition to secondary school and no action is required from parents/carers or pupils. We will share results with you in the children's reports, which will be sent out on **Friday 17th July**.

Thank you for your patience and understanding.

If you have any questions, please contact the school office.

Mr. J. Wilkinson
