7th July 2026

Dear Parents/Carers,

As a school, we follow the DfE guidance and our priority is always everyone's safety. As hot weather is predicted to return for the rest of this week (there are currently no weather warnings for extreme heat) please find below our procedures for tomorrow and for the rest of the week.

- Children can wear P.E. kits or suitable loose fitting clothes (e.g. t-shirt and shorts) and appropriate footwear (not sandals).
- Hats should be sent into school and can be worn outside.
- Sun cream should be applied before the children come to school and if necessary can be sent in (the children will need to apply their own).
- Water bottles can be refilled and you can send in extra drinks.
- Fans (providing they do not distract the lesson) can be sent in.

If you would like to discuss anything, please telephone the school office (711-1509).

Thank you for your continued support.

Mr. Wilkinson
