

There have been lots of memorable moments this week. One of my highlights were the Year 3 ukulele performances. All of the children were amazing and I was really impressed with the way they all played in time as well as their enthusiasm when singing. The children in 4G have finished their swimming lessons. All of their swimming teachers were impressed with their behavior, attitude and progress. A reminder that the children will be bringing home their report today. Please can I ask that you complete the feedback form. Take care and have a lovely weekend. *Mr. Wilkinson*

Year 6 - 'A Multiverse Mix Up'

On Wednesday and Thursday, we were treated to the Year 6 production of 'A Multiverse Mix Up'. We were so proud of all of the children; they all demonstrated courage and team work. It was amazing that every child had the courage to speak and sing on the stage. We know that for many children they pushed themselves out of their comfort zone. It was also amazing to see them encouraging and appreciating each other's performances. It was a privilege to see how far the children have come in their time at VPJS - the performances brought lots of laughs and tears to people's eyes. I am sure that we will be seeing some of the children on stage or television!
