

It has been another busy week at VPJS with the children continuing to work hard. This half-term the children are focusing on our learner attitude of being a self-manager and this includes them enjoying taking responsibility for themselves and their learning. We know that it is important that all of our children are able to organise their own equipment. If children are bringing a bike or scooter to school, these are left at their own risk and school cannot take any responsibility for them. Take Care and have a lovely weekend. *Mr. Wilkinson*

Class Learning Charters

Every class have discussed and written their own Learning Charters, which are linked to our school values. Here are some examples:

6O are going to show **responsibility** by looking after our school environment and take responsibility for their actions and learning.

6B are going to show **equality** by allowing everyone to receive the same opportunities no matter who they are.

5H are going to show **love** by being kind and fair to everyone.

5M are going to show **equality** by noticing and celebrating what makes each of us unique.

4R are going to show **courage** by not giving up when things get challenging or hard.

4G are going to show **equality** by making sure that everybody in their class has a voice.

3M are going to show **aspiration** by believing in themselves and going the extra mile when they can.

3H are going to show **respect** by listening to their peers even if they do not agree with them.
