22<sup>nd</sup> September 2026

Dear Parents/Carers,

## Maths Workshop

On Monday 12<sup>th</sup> October, The Problem Solving Co. are going to be visiting school to deliver maths workshops for every class.

The children in Years 3 & 4 will take part in a 'Maths Problem Solving' workshop where they will solve large puzzles as well as 2D and 3D construction challenges in the hall.

The children in Years 5 & 6 will be trying in teams to solve different maths puzzles, codes and riddles to complete the 'Escape Room' challenges.

We are asking for a contribution of £5 per child and this can be paid on ParentPay.

If you have any questions, please telephone the school office (711-1509).

Thanks for your continued support.

Mr. J. Wilkinson
