

How are we in October already? The children have been continuing to work hard this week. I was proud of our Year 6 children who have been to Robinwood. I know they all showed lots of courage to complete all of the challenges and they worked really well in their teams. The adults (who are very tired!) had a fantastic trip and this was down to the Year 6 children having a brilliant attitude and enjoying every moment. There were plenty of happy memories and the children should all feel proud of their achievements. Take care and have a lovely weekend.

Mr. Wilkinson

Infant Photographs

We are aware that if your child has a sibling at the Infants, they might be late on Tuesday morning. Please try to arrive at the Infants for 8:30am if they are having their photograph taken with their younger sibling(s).

Sports Update

Well done to all of the children who have represented the school so far this year. Congratulations to the children who played in a dodgeball tournament last Friday. They were the overall winners! Also the 'A' football team have played their opening fixtures and the children showed all of our school values.

Book Fair

The book fair will be open in school from Tuesday 6th October until Friday 9th October.

The morning sessions are for our children only, between 8:30am - 8:45am. Parents/carers are invited to the book fair after school until 3:45pm.

You will be able to pay for books with cash or card.

Holiday Camp

The bookings for October half-term's Football Camp and Multi-Skills Camp are now open:

Learning Highlights

Every week, two members of the school council are going to share their learning highlight from the week.

This week, Kimran and Fionn from 5M both explained that they have enjoyed using the column method in maths to solve addition calculations. In Art & Design, they have enjoyed using different typography to make their own maps, which show their own identity.

Notices and Reminders:

Year 4 trip to Chester - Monday 5th October - all children will need a packed lunch and waterproof coat.

Monday 12th October - The Problem Solving Co. will be visiting school to deliver maths workshops for every class.

Thank-you to everyone who has made a contribution on ParentPay. You can still make a contribution.
