20th November 2026

The children have been continuing to work hard this week and I know that everyone in Years 3, 4 & 5 have tried their best in assessments this week. We are proud of their effort and determination. The class teachers will send home their Maths paper and Punctuation & Grammar paper before we break up. If you do need any information about these, please contact the school office. I will send home a letter next week outlining the different events, which will be taking place for the rest of this term. The children break up on Friday 18th December (the Junior Hub will be open after school). Take care and have a lovely weekend. *Mr. Wilkinson*

Punctuality

Thank you to the majority of families who are ensuring that their child(ren) arrive at school on time. The children are allowed to come into school between 8:30am – 8:50am.

It is important that everyone has a settled start to the day and to ensure this, **the children need to be in school by 8:50am**.

Phone-Free Pick Up

When collecting your child(ren) at the end of the school day, please put your mobile phone away.
It is important that your child(ren) get your full attention when they come out to greet you.

Reminder

Going Home Messages – Please can we ask that if your child's going home arrangements change that you telephone the school office (711-1509) by **2:45pm**. This will ensure that the office staff have enough time to get the message to your child.

Learning Highlights

This week's learning highlights come from the school councillors in 3H.
Sage has enjoyed learning about how to use the column method in maths. Robyn's highlight was learning about the Mediterranean region in geography. They are both enjoying reading The Nothing to See Here Hotel.

Little Green Sock Project

We will be collecting donations for the Little Green Sock Project between **Monday 23rd November** and **Wednesday 25th November**. The presents need to be new and unwrapped. You can find gift ideas on the letter: download.asp
