Deputy Head: Miss M. Tidman

15th January 2024

Dear Parents/Carers,

Since the Christmas break, we have noticed a number of children wearing smartwatches to school.

Following discussions and primarily for safeguarding reasons, smartwatches are no longer to be worn during the school day (from Tuesday 16th January). If children wear a smartwatch then it is treated like a mobile phone, and is therefore subject to the same contract. Contracts are available from the school office.

Smartwatches, like mobile phones, are to be turned off and placed in the box at the back of the classroom to be stored in the office until the end of the day. Please note that the school takes no responsibility for any mobile phones and smartwatches, which are damaged or lost.

Thank you for your continued support.

Mr. Wilkinson
