Dear Parents/Carers,

First of all, I want to wish everyone a very Happy New Year. It is hard to believe that we have started a new year. The children have come back to school with a really positive attitude even though they will have found readjusting back to the school routine (and very dark mornings) a challenge (the adults have also found it a challenge!).

Subject Showcase - Save the Date!

The children are going to be showcasing their learning from a subject this half-term on **Wednesday 7th February**. Each year group will be given a specific time during the day when they will share their learning. You will be able to come and find out what they have been learning. There will be more details sent out in the next couple of weeks.

The weekly newsletter will resume next week. I hope that you all have a lovely weekend.

Take Care

Mr. Wilkinson
